

Forest School Sessions – Photography and Video Policy

1. Purpose

We may take photographs and videos during Forest School sessions to celebrate activities, document learning, and promote our sessions to a wider audience.

2. How Images & Videos Are Used

Images and videos may be used for:

- Our website
- Social media platforms (e.g. Facebook, Instagram, Tiktok)
- Promotional materials (e.g. posters, leaflets)
- General marketing and advertising

We aim to use images respectfully and appropriately at all times.

3. Consent & Your Choices

When setting up your profile or completing your booking, you will be given clear options to choose how images of your child may be used.

You can choose to:

- Give permission for all uses (website, social media, and promotional materials)
- Give permission for limited use (e.g. website only)
- Decline permission for any photography or video

Your preferences will always be respected.

4. Changing Your Preferences

You can update or withdraw your consent at any time by contacting us.

We will update our records as soon as possible; however, please note that we may not be able to remove images that have already been published.

5. Safe Use of Images

We take care to:

- Avoid using full names alongside images
- Ensure images are appropriate and respectful
- Represent participants in a positive and safe manner

6. Storage of Images & Videos

All images and videos are stored securely and only accessed by authorised staff.

7. Third-Party Use

We will not share images or videos with third parties for their own marketing purposes.

8. Parent/Carer Photography

If parents/carers take photos during events or sessions, we ask that they respect the privacy of others and do not share images of other participants without permission.

9. Contact

If you have any questions or concerns about photography or video use, please contact us using the details on our website.

Your consent choices will be recorded and followed at all times.
